About MSME Conclave 2018

West Bengal occupies a predominant position in the country in terms of development of micro, small and medium enterprises. Strategic initiatives of the State Government taken up in the last 5-6 years for the promotion and growth of MSMEs have resulted in the spectacular growth of MSMEs in the State in terms of investment and employment. The key reasons for the remarkable growth of MSMEs in the State is because of the State Government's innovations in strategy and giving top priority to the
